:

Documents with the Senate Select Committee

Attached are listings of documents forwarded to individual staff members of the Senate Select Committee at their request.

While we do not object to retention of items necessary to a research project, some of these have been with the staff for some time. Most, particularly the CODEWORD documents, are charged to various NFAC officers and often are their file copies.

Would you please discuss this with [] and see if we can retrieve some--particularly the CODEWORD.
